THE FAITH OF SEVENTH-DAY ADVENTIST CHRISTIANS

We believe the Holy Scriptures are an authoritative infallible revelation of God's will. They are the revealer of doctrine, the test of Christian experience.

++++++++++++++

We believe God created the earth and all the life upon it. This life did not evolve over period of time. We reject evolution; believe it is less scientific and less adequate as an explanation of man's origin than the literal creationist's views.

++++++++++++++

We accept Jesus Christ as our personal Saviour. We believe in his interceding priesthood and acknowledge that eternal life can be received only through faith in Him. We acknowledge the Sovereignty of God's law not as a means of salvation but as rule of conduct, including the observance of the Seventh-Day Sabbath.

++++++++++++++++

We believe that according to the Bible and Spirit of Prophecy, the second advent of Christ is imminent. We accept the guidance of the Holy Spirit, the third Person of the God Head. We practice the ordinance of baptism by immersion, humility, and the Communion of the Lords Supper in Christian Fellowship.

++++++++++++++++++

We acknowledge the health message, according to the Holy Scriptures and Spirit of Prophecy as a Christian principle to be taught and lived, and we accept it as part of God's good news for the redemption of man.

SPIRIT OF PROPHECY QUOTATION OF THE WEEK

"When God sends to men warnings so important that they are represented as proclaimed by holy angels flying in the midst of heaven, He requires every person endowed with reasoning powers to heed the message. The fearful judgments denounced against the worship of the beast and his image (Revelation 14:9-11), should lead all to a diligent study of the prophecies to learn what the mark of the beast is, and how they are to avoid receiving it. But the masses of the people turn away their ears from hearing the truth and are turned unto fables. The apostle Paul declared, looking down to the last days: "The time will come when they will not endure sound doctrine." 2 Timothy 4:3. That time has fully come. The multitudes do not want Bible truth, because it interferes with the desires of the sinful, world-loving heart; and Satan supplies the deceptions which they love. " **Darkness Before Dawn page 37.1**

HEALTH CORNER –GOD'S REMARKABLE DESIGN BENEATH THE SKIN

Psalm 139:14

"I will praise thee; for I am fearfully and wonderfully made: marvellous are thy works; and that my soul knoweth right well."

INTRODUCTION / REFLECTION

Beneath the visible surface of our skin lies a remarkable layer called the dermis. It provides strength, flexibility, sensation, and nourishment to the skin. Its many functions demonstrate the complexity of God's design and remind us that even the unseen parts of our bodies are essential to our well-being.

MAIN BODY / PRESENTATION

The dermis is the middle layer of the skin and accounts for most of its thickness. It contains collagen and elastin, two important proteins. Collagen provides strength and support, while elastin allows the skin to stretch and return to its original shape. The dermis also contains hair follicles, which produce hair, and oil glands that release sebum to lubricate the skin and help prevent it from becoming dry. In addition, sweat glands produce sweat, which helps regulate body temperature, especially during exercise or hot weather. Another important function of the dermis is sensation. Its nerve endings help us detect heat, cold, pressure, itching, and pain. These sensations warn us of potential danger and help protect us from injury. Blood vessels in the dermis supply oxygen and nutrients that support the skin and help maintain its health. We can support healthy skin by maintaining good hygiene, eating a balanced diet, drinking adequate water, and protecting ourselves from excessive sunlight. Persistent skin problems should be assessed by a healthcare professional.

MORE ON MAIN BODY

Just as the dermis supports and nourishes the skin, we should strengthen the foundations of our spiritual lives through prayer, Bible study, and fellowship. A strong spiritual foundation helps us remain steadfast through life's challenges.

CLOSING THOUGHT AND PRAYER POINT

Closing Thought: The dermis reminds us that strength, protection, and nourishment often come from beneath the surface. May our spiritual lives also be rooted deeply in God.

OFFERTORY (SOWING BOUNTIFULLY)

What a privilege it is to return to God some of the many blessings He entrusts to us. Throughout our lives and at our death, we can give generously to God's work and thereby acknowledge Him as the Giver of all good things. Sadly, many well-meaning people hold on to assets and investments above their needs until the day they die. And then, often before the grave flowers have even wilted, family members phone the lawyers to find out, "How much did I get?" How tragically sad this is. If we genuinely believe that all we own is God's, then why does it all somehow become our children's on the day we die? Death doesn't remove God's ownership nor our responsibility to be faithful stewards. We each have ample opportunity to give generously to God and our families and be incredibly blessed in the process. So why would we leave our giving until it's too late? Would a faithful steward leave God's assets to be spent on the unknowable desires of the next generation or, worse still, on family arguments and legal fees? So what's the solution? "Do your giving while you're living, so you're knowing where it's going." In 2 Corinthians 9:6-8, God gives us this beautiful promise, "He who sows sparingly will also reap sparingly, and he who sows bountifully will also reap bountifully. So let each one give as he purposes in his heart, not grudgingly or of necessity; for God loves a cheerful giver. And God is able to make all grace abound toward you, that you, always having all sufficiency in all things, may have an abundance for every good work."

APPEAL: As we now return God's 10% tithe and give our Promise offerings, let's give with a grateful and cheerful heart. God has already blessed us in our lives, and now we can show our thankfulness by returning these gifts to Him.
